MEMORANDUM FOR: Chief, Far East

[REDACTED]

25X1

FROM : Deputy Director Central Intelligence

SUBJECT : Policy on Repatriation of Chinese and
North Korean Prisoners of War

1. I understand that the proposed policy paper with regard to the repatriation of Chinese and North Korean prisoners of war (see attached) is now under consideration in the PSB, and that you are following the matter.

2. I have withheld approval from the draft paper which has been prepared for General Bradley, as attached hereto, and think it desirable that we attempt to work out through PSB and the NSC Senior Staff an agreed paper on this subject. I understand this is what you are working towards.
